

Short curriculum vitae of Branislav Grujić

Branislav Grujić, born in Belgrade on July 14, 1961, is a Serbian businessman. He is one of the founders and the Co-President of *PSP-Farman Holding*. The company is a multinational and multifunctional real estate investment holding with 25 years of experience and more than 200 completed buildings with a total area of 3 million square meters.

After completing the primary and secondary schools in Germany and Serbia, he graduated as an engineer at the Faculty of Mechanical Engineering of the University of Belgrade. His career began immediately after the graduation, when he became an Assistant for Theoretical Mechanics at the Faculty of Mechanical Engineering. Immediately afterwards, in 1992, he became the Director of Engineering at the company *Jugodrvo* and remained in that position until 1994, when he decided to leave Yugoslavia. The company *PSP-Farman Holding* was created in 1997 by the merger of two investment and construction companies, *PSP* and *Farman Engineering*.

He is the recipient of numerous awards for professional achievements, including several *Manager of the Year* titles in Serbia and Central and Southeastern Europe. He is fluent in German, English, Russian, and Italian.

His email address is grujic@psp-farman.com.
